FAIRBANKS, ALASKA

Tree of Life Gathering

Three days with Alaska Native and American Indian people

FREE
NO COST

Behind our eyes, every one of us carries a story that has shaped us — and most of us have never told it. The **Tree of Life Gathering** follows Jesus from birth through the cross, because Jesus knew rejection, loss, and trauma too. You sit in a small group with trained Native leaders and share only what you choose to share.

— WHAT THE THREE DAYS HOLD

- 1 Teaching from a presenter who shares their own story
- 2 Small groups, with two trained leaders each
- 3 Space to name grief, abuse, neglect, loneliness
- 4 An evening celebration on the final day

ADULTS 18+

NO COST TO ATTEND

HOUSING HELP AVAILABLE

YOU DON'T NEED A STORY TO COME

You may not know your story yet, and that is fine — people find it here. Nobody is pressured to share. What people say afterwards is: *I didn't realise I had a story.*
